

Meeting 2: Thursday 21st November

Agenda 1: Anything to be communicated?

- The paper recycling boxes are all up and running throughout school. They are becoming full rather quickly, therefore the councillors have been allocated the responsibility of emptying the boxes when required, as well as ensuring paper is being recycled correctly in their classes.

Agenda 2: The Anti-Bullying Alliance (A.B.A)

- We are currently in the process of creating an Anti-Bullying Alliance and employing Anti-Bullying Ambassadors. The school councillors have volunteered themselves for the roles.
- Their first responsibility involves electing adults to become ambassadors- a position of which Mrs Headley has already demonstrated a keen interest!

Agenda 3: Plat time snacks

- Council members have requested that pupils are able to bring in yoghurt pouches, dairy-lea dippers or rice cakes to snack on during break times.
- The councillors understand the importance of a healthy, balanced diet. However, they would like the opportunity to bring in a greater variety of snacks, rather than just fruit items.

Plans for the next meeting (Thursday 16th January):

- Anything to be communicated? /Updates on agendas discussed in the previous meeting.
- Begin to establish and create the ABA policy and procedures document.
